

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF CHINO HILLS**

**NAME: BILL KRUGER**

**AGE: 60**

**OCCUPATION: Councilmember / Retired Businessman**

I have served in the City of Chino Hills in Community service positions since my wife and I moved here. Including: Chino Hills Planning Commissioner, Volunteer for the San Bernardino Sheriffs Department, Mayor and Councilmember of Chino Hills, Chino Valley YMCA board member, Citizens For Kids Educational Foundation board member.

I have received awards and recognition within and outside our City. Including: Chino Hills "Volunteer of the Month", "Chino Valley Citizen of the Year", (2005), recipient of multiple "Resolutions" from San Bernardino County Board of Supervisors for formulation and implementation of new programs that aide and protect our youth and seniors, from the San Bernardino County Board of Supervisors.

Our City will be built out within the next 10 years. Many of the challenges we faced in the past will continue to confront us; traffic issues, tax base, growth pressures, services and facilities for our youth and seniors. The current City Council has made advances in these areas without any new taxes by working with outside agencies for support and funding. With continued diligence, vigilance and no proposed new taxes we will be able to maintain our family atmosphere. A vote for Bill Kruger on Election Day will maintain the character of this City in which we live.
